The annual survey was available to CPAC attendees from Wednesday, February 26th to Saturday, February 29th. A total of 1336 CPAC attendees participated in the survey.

Participants had the option to complete the survey through the official CPAC App on their mobile device or in person at one of the poll stations.

For security purposes, each CPAC attendee was assigned a unique, eight digit PIN code with their registration materials. To complete the survey, respondents were required to enter their PIN code as well as the surname used to register, ensuring that only CPAC registrants could participate.

I am not that concerned with debt and the deficit right now because under President Trump we Republicans and conservatives should always practice fiscal discipline and work to reduce our debt and deficit. Tax cuts and more military spending are good things, but they need to be offset by cuts elsewhere in the budget.
